

Cohen's Lottery Gazette and Register.

VOL. 1

BALTIMORE—MARCH 3d, 1815.

NO. 24

Cohen's Lottery & Exchange Office.

"HOC SIGNO FORTUNA."

Washington, Feb. 27.—Several nominations were yesterday sent up to the Senate by the President; amongst which, it is rumoured, are the following—James Monroe, to be Secretary of State; John Quincy Adams, to be Minister to G. Britain; Albert Gallatin, to be Minister to France; James A. Bayard, to be Minister to Russia; Joseph Anderson, to be Comptroller of the Treasury.

Senate U. S. Feb. 23.—The bill to lay a duty on LOTTERIES, was resumed; On motion of Mr. German, (of N. Y.) the further consideration thereof was postponed to the second Monday in March next by the following vote.—Ayes 16—Nays 11. So the bill was indefinitely postponed—rejected.

Valuable arrival.—The privateer *UR-PRIZE*, BARSTOW, of this port has arrived

at New-York, from a cruise, and brought in cargo of India Piece Goods, taken out of ship—, formerly the *Star*, of New-York. The S. conveyed her prize to the coast; parted with her on last Wednesday, 100 miles from the Hook in a snow storm.

Commodore Decatur, late of the President Frigate, arrived at New-London on the 22d. inst. in the *Narcissus* frigate from Bermuda. We learn that the President struck to the *Pomone* and *Tenedos* frigates, having previously completely silenced the fire of the *Endymion*, and that com. Decatur surrendered his sword to the captain of the *Majestic*, [razee] the commodore of the British squadron.

Orders have been sent on to Boston, for the immediate equipment of the *Independence*, 74, Com. Bainbridge, for sea; probably for the Mediterranean.

We learn that a large expedition is immediately to be fitted out for the Mediterranean,

nean, consisting of 27's, 6 frigates, 4 sloops of war, and other smaller vessels.

Pennsylvania Hospital—A wen of the following dimensions was, on the 22d inst. cut from the neck of a black woman by the name of Julia Richards—viz. 2 feet 12 inches at the neck; 3 feet and a half inches at the lower end horizontally; 3 feet 9 inches vertical, as suspended at the back. It was 18 years growing, and weighed 25 lbs! The operation was performed by Doct. Dorsey, assisted by Doct. Hartshorn, in the presence of several physicians and more than 100 students.

The British Sloop of War, *Favorite* having on board the ratified treaty, sailed from New-York for England on the 23d inst.

Prices at Petersburg, Virg. Feb. 21

Tobacco, 15 dolls per cwt; sugars, have had a rapid fall from 33 1-3 cts to 18 and 24; flour has experienced a trifling rise; dry goods, have fallen but slowly and gradual, but few in market.
